Peggy, thanks for your message. My ancestor, John McQueen, left Islay in 1833. I have a recommendation note (of good character) for John and his wife from the minister in Kilmenny parish (same as kilmenzie?) from that year. He was married to Mary McIntyre. I dont have any info on his scottish family or his own birth or marriage dates, but I would guess his birth date around the 1780s and marriage around 1810. Perhaps your neil and my john were related, perhaps brothers. He had sons donald (b 1814 -my greatgrandfather), john (b 1812), james (b 1811), neil (b ? - that given name appears a lot in the family), and daughters isabella and flora.

I may be able to vis it Islay in may, and wonder if you have any tips for tracking things down over there?

Bob

## Endnotes

---

<sup>1</sup> John McQueen emigrated to Canada 1833 from Kilmenny, Islay, Scotland, and died in 1833 in Barrie, Ontario. The following is copied from a historical book of Nottawasaga Twp. (Simcoe County), Ontario, called "The Outburst of the Iroquois" written in 1934: As most of those who settled what is now called the Fourth Line Corners, were Highland Scotch, they called the settlement "Ballygrant" after a place of the same name in Scotland. In 1834, settlers began to arrive in Nottawasaga Township. Some of those came by way of Barrie and Sunnidale and settled along the Fourth Line, while others went on to the Five Acre Lots at what is now Duntroon. Among the first to settle on the Fourth Line was the McQueen family. John McQueen and his family left the Island of Islay, Scotland in the summer of 1833 and came to Barrie, where they remained for two or three weeks. While there, Mr. McQueen died and was buried in the cemetery, which is not far from the courthouse. They next came to Sunnidale Twp. and as it was now late in the fall they spent the first winter in a shanty on one of the Five Acre Lots that had been laid out in the township. In the autumn of 1834, they moved to Nottawasaga Township and settled on Lot 24, Concession 5. The family were Neil, John, Donald, James, Isabella (Mrs. Wm. Blair) and Flora (Mrs. Alex. McKecknie).

<sup>6</sup> Notes for DONALD SAMUEL MCCUTCHEON:

Obituary from "The Collingwood Bulletin", 5 September, 1929

**NOTTAWASAGA SON PASSES AGED EIGHTY YEARS**

Samuel McCutcheon Died on Saturday

Nottawasaga lost another of her older sons when on Saturday last, the death took place at his residence on the town line north of Singhampton, of Mr. Samuel McCutcheon, at the age of eighty years. Mr. McCutcheon had been in failing health for some months, but his illness took an acute turn only a few hours before his death. The deceased was the oldest son of William McCutcheon and his wife Ann Smith, who came from Ireland and settled on the farm north of Creemore, now owned and worked by a younger son, Mr. David McCutcheon. As a young man, he knew what pioneering in "the bush" meant and gave the best years of his physique to make the township what it is today. After helping to clear the homestead he moved to and cleared the farm on which he died, after a continuous residence of fifty-seven years. Mr. McCutcheon was a man respected for his upright dealings, his fine neighbourliness, his devotion to his family and his loyalty to his friends. He kept well-informed on topics of the day and was keenly interested in public affairs. In politics he was a staunch Conservative and in religion a Presbyterian. The funeral was held to West Church Cemetery on Monday afternoon when friends from far and near gathered to pay a last tribute of respect to one who had for so many years been a valued and faithful friend and neighbor. The late Mr. McCutcheon is survived by his wife, formerly Miss Currie, four children by a former marriage, William, Mrs. Angus McDonald, Mrs. Albert Edwards of Singhampton and Mrs. A. Wallace of Calgary, Alberta. Another daughter, Mrs. Fred Zeiggle, died eight years ago. There are also twenty-nine grandchildren, and four great-grandchildren. Mr. David McCutcheon of Creemore and Mr. Thomas McCutcheon of Toronto are the surviving brothers.

<sup>8</sup> Birth records on Islay indicate the birth of a John McQueen, parents John McQueen and Mary McIntyre, was registered on September 27, 1813. Registrations were often delayed from the actual birth date. The location listed on the record as the home address for the family at this time was Cladach.

<sup>16</sup> John McQueen, son of Charles McQueen and Jane Clark, emigrated from Islay. Their offspring were Mary, Annie, Flora, Katie, and John (who married Margaret). Charles had a brother Donald. However, this same reference ("While we still remember – a history of Egremont, Grey County: Editor Campbell Cook, 1984) lists the offspring of John and Margaret as Mary, Alex (Hamilton), Donald (Walkerville), Edmund, and Neil m Cassie Kennedy, whose offspring in turn were Charles m Marion, Owen Sound. So, this record of offspring does not match completely, and may be a different branch.

<sup>33</sup> Arrived at farm on 12 Con Brooke Twp in 1839, paying 10 pounds for 200 acres. Came with a family of 5 girls and 1 boy. Living on the 12<sup>th</sup> concession at the time were William Kelly, Andrew Lucas and Donald McDonald. A log schoolhouse SS#5 was built on the Watson property in 1853. William Watson was an early member of the Brooke Township council, first held in 1842, first as pathmaster later as councillor. Many of the early council meetings were held in his home. William died at the age of 75. He was thrown from his carriage when his horse became frightened by an umbrella and he never recovered. He is buried in Mt Carmel Cemetery. (From account of Mrs Wilbert Parker)

<sup>34</sup> Elizabeth Hume's brothers, James and Robert, came to Warwick in 1832 and 1833 from Goulburn, Carleton County. She died in 1854 leaving a small baby, Martha. Her body was taken by lumber wagon to the nearest burying ground, Strathroy, on 22 highway. (From account of Mrs Wilbert Parker)

<sup>35</sup> Lived on Lot 10, con 13. Buried in Mt Carmel cemetery. (From account of Mrs Wilbert Parker)

<sup>36</sup> At one time the four boys lived on farms west of the homestead on the 12<sup>th</sup> concession, later two moved to Alberta and Saskatchewan. One of the girls lived in Michigan, three in B.C., Alberta and Saskatchewan, and two lived locally. All were married. (From account of Mrs Wilbert Parker)

<sup>37</sup> Lived on 15 sideroad, later in Watford. When their family was small they moved to Des Moines, Iowa. She had a family of 9. Through the years, on account of distance away, we have not kept in contact with them. The older generation were well educated and did much to develop education in their adopted state. Mrs Nelson had one of the first sewing machines, sewing for friends as well as her own family. (From account of Mrs Wilbert Parker)

<sup>38</sup> Jane never married. She was a very energetic, enterprising personality. She was a weaver and good at any handicraft. Every relative told me (Mrs Wilbert Parker) of some handicraft they were particularly interested in made by Aunt Jane. She died at age of 85. She lived with her two sisters on the homestead with their nephew, Wallace until his marriage, and then moved to Front St, Watford. She is buried in Mt Carmel cemetery. (From account of Mrs Wilbert Parker)

<sup>39</sup> They lived on lot 10, concession 12. They had 2 boys and 1 girl. At age 33 she died of appendicitis and was buried in Mt Carmel cemetery. Tom Holbrooke later married Ellen Oakes.
